SMS 101: Mobile Apps for All Phones
Hey, check out the new cell phone! 

Cool.

It's a game console, web browser, printer, fax machine, pager, beeper, PDA, calculator, and walkie-talkie all in one!

Can you call people with it?

What?
Maureen receives a message saying there is money again, together with a pin code.
What is SMS?

- “Short Message Service”
- Limited to 160 chars
- Benefits:
  - Less data use than phone calls
  - Send lots of messages to lots of people
STORE AND FORWARD
Security

• Spoofing: Displaying an incorrect username or phone number
  - Twitter Vulnerability

Textmarks Lite vs Zeep

**TEXTMARKS**
- Can use without subscribers.
- Less code written
- More intuitive.
- Boring homepage
- Incompatible with T-Mobile
- 120 Char limit + Ads

**ZEEP**
- Requires subscription.
- More code
- Not as intuitive.
- Flashier homepage
- Also incompatible with T-Mobile
- 120 Char Limit + Ads

Our recommendation: TextMarks
