

Facebook Puzzle Hunt 2015!

- Below are eight puzzles for you to solve. Each puzzle stands alone and can be solved independently of the other puzzles.
- The answer to each puzzle is a single word or short phrase.
- **ONE** person from your team should input answers at fb.me/puzzlehunt. You can find digital copies of the puzzles there as well.
- Feel free to use the internet and any other non-human resources available to you.
- Teams should consist of 2-4 people.
- You may make a maximum of 10 guesses on each puzzle, so don't just wildly guess, but feel free to try things that might be true.
- Remember that everything, including the title can be a hint to the solution to a puzzle.
- Have fun!

Mastermind

The Answer is 0120

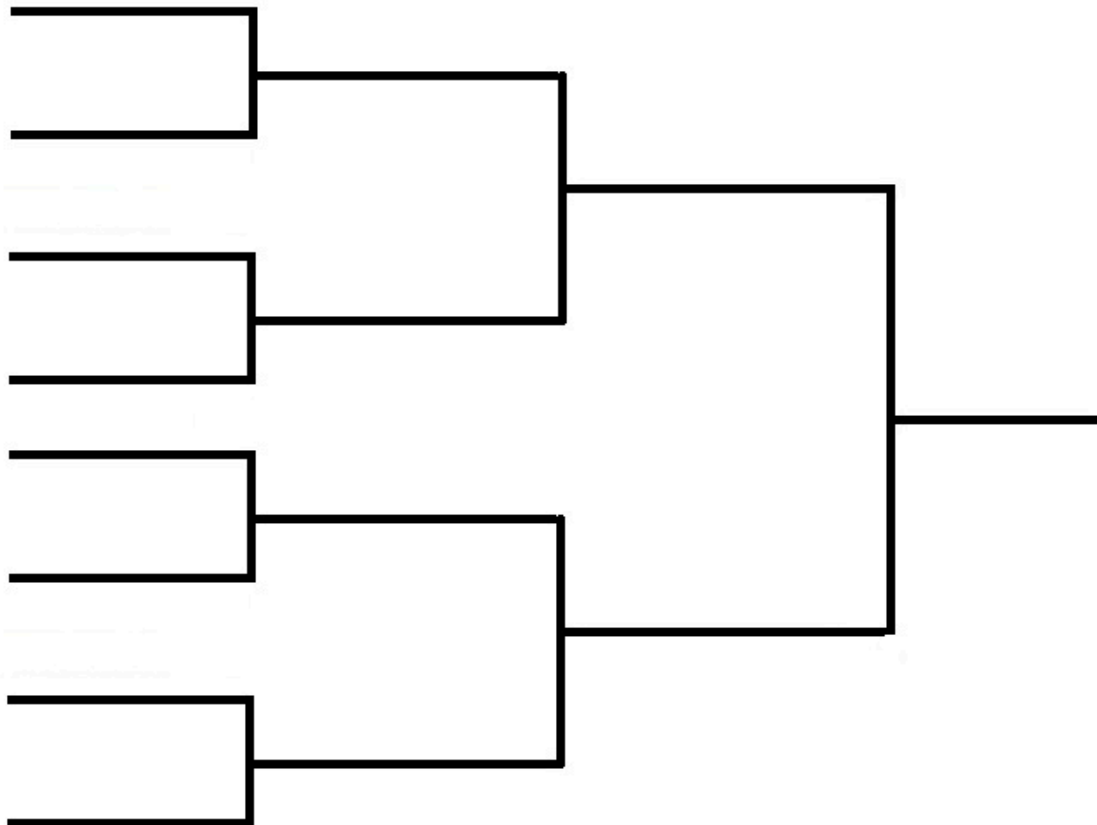

The diagram shows a 4x4 grid for a Mastermind puzzle. Above the grid, there are 12 black pegs: 2 in the first column, 3 in the second, 4 in the third, and 1 in the fourth. To the left of the grid, there are 12 white pegs: 4 in the first row, 1 in the second, 3 in the third, and 4 in the fourth.

Ignore the second grid until you have solved the first one.
