

# CS50 for MBAs

- Ask to sit wherever you'd like. Just remember name cards!
- Auditors welcome (if seats permit)!
- Website at [cs50.harvard.edu/mba/](https://cs50.harvard.edu/mba/)!

# CS50 for MBAs

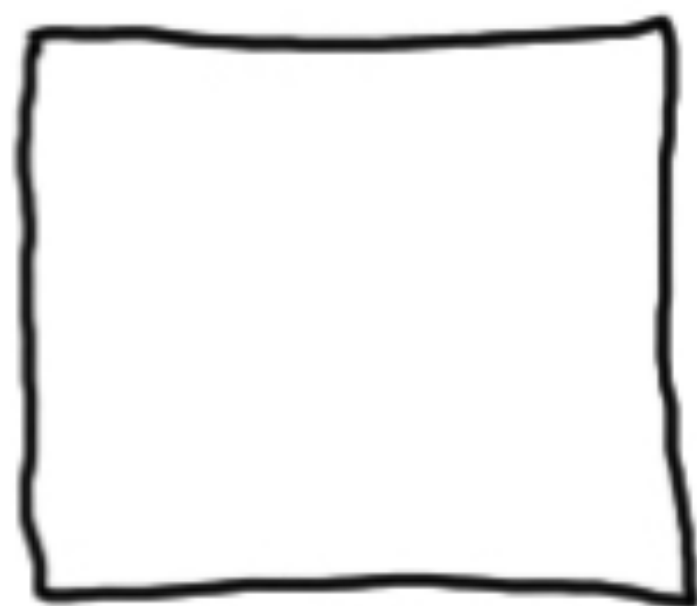

David J. Malan  
malan@harvard.edu

- Computational Thinking
- Programming
- Algorithms, Data Structures
- Privacy, Security
- Internet
- Databases
- Web Development
- Web Programming
- Technology Stacks
- Mobile

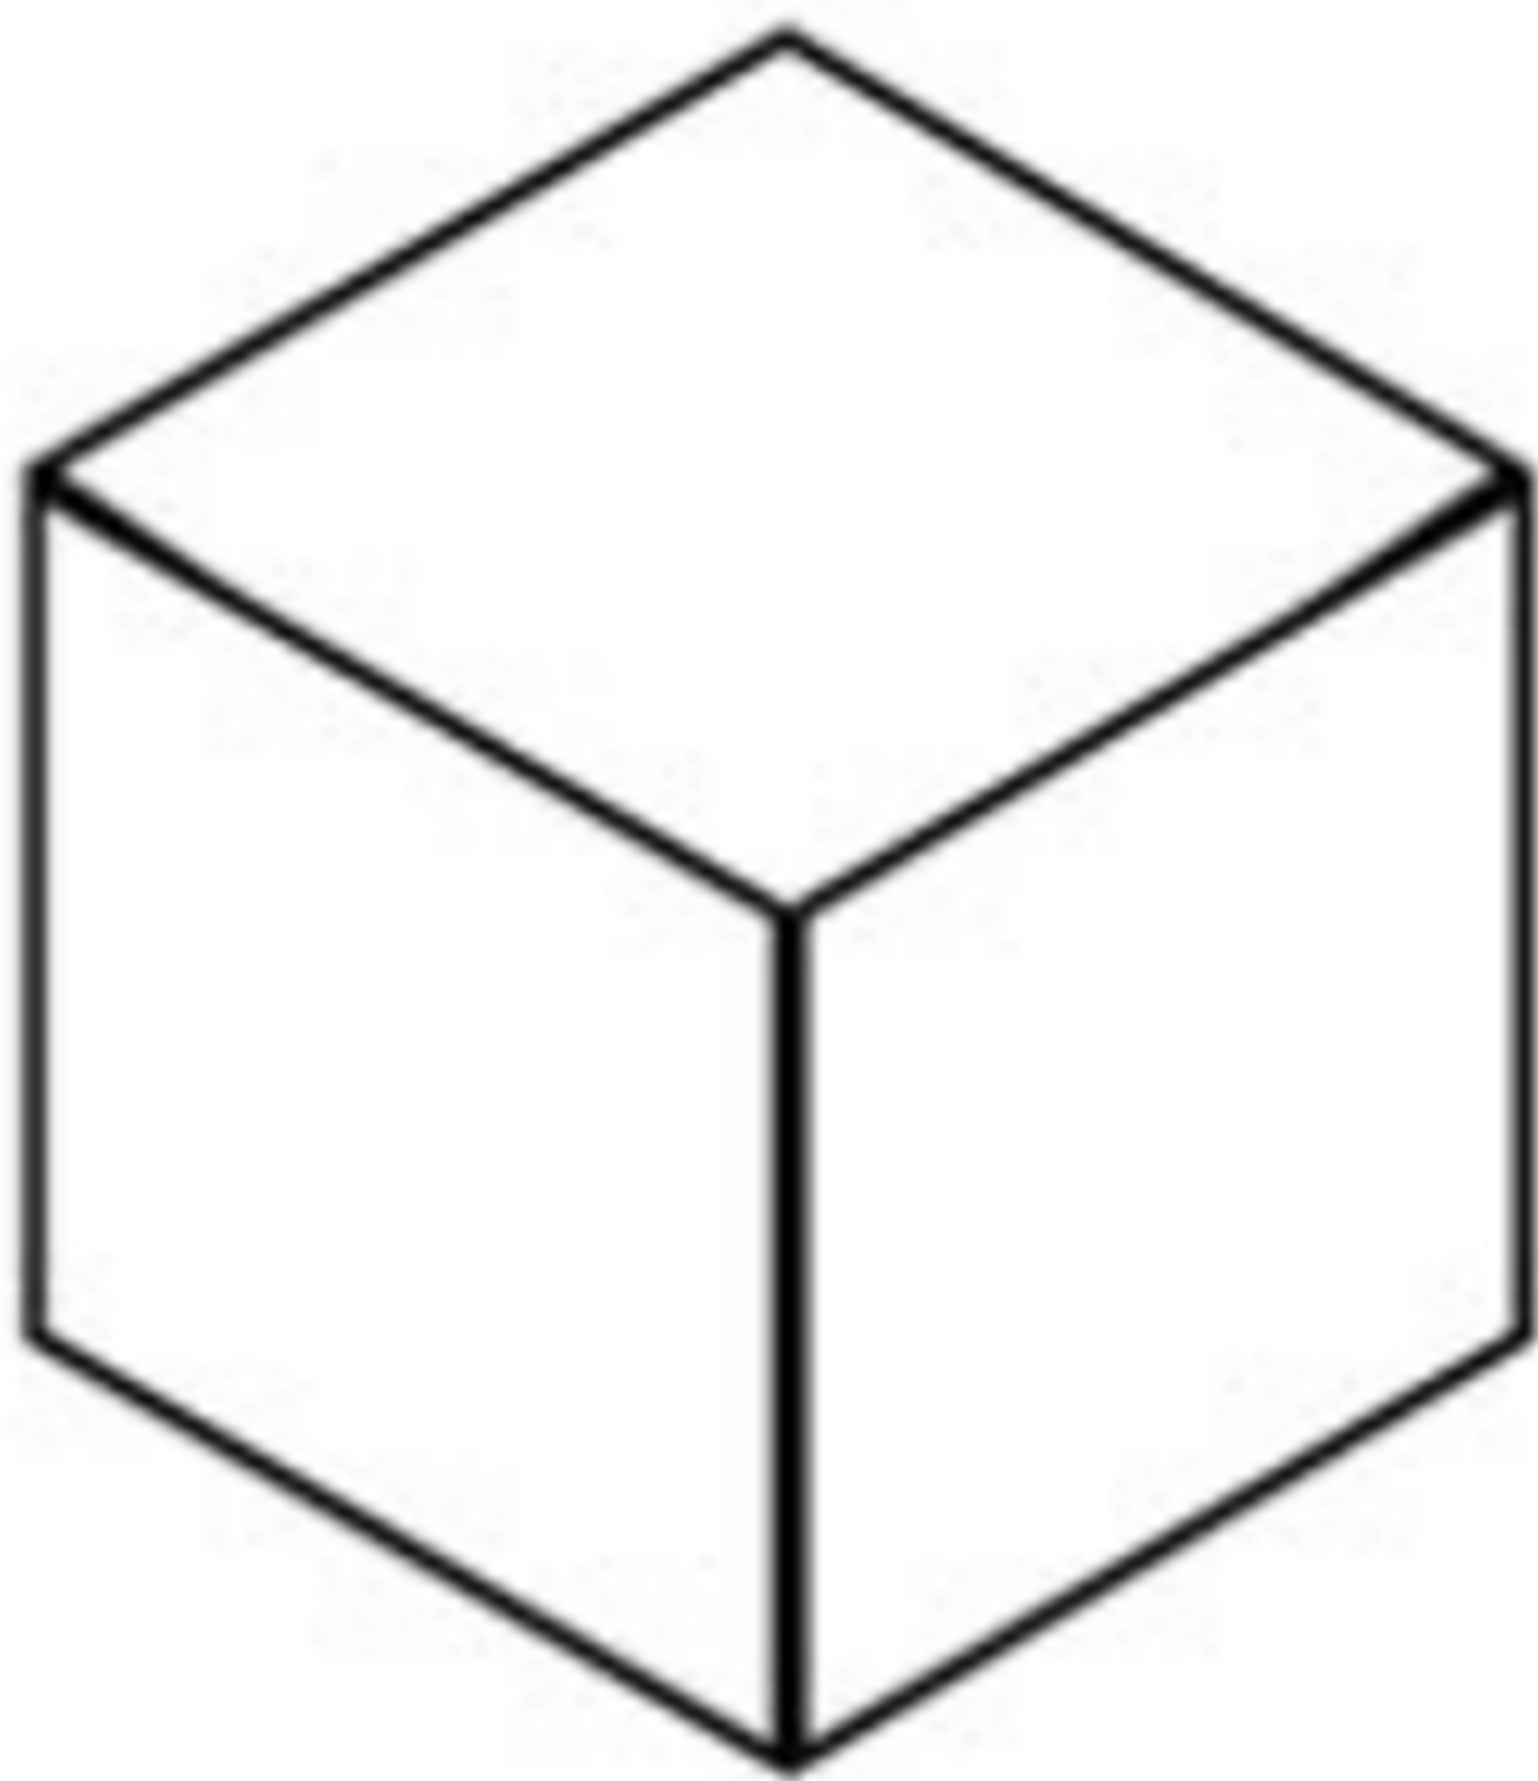

# Computational Thinking

- ASCII, binary
- abstraction, algorithms, pseudocode
- imprecision, overflow

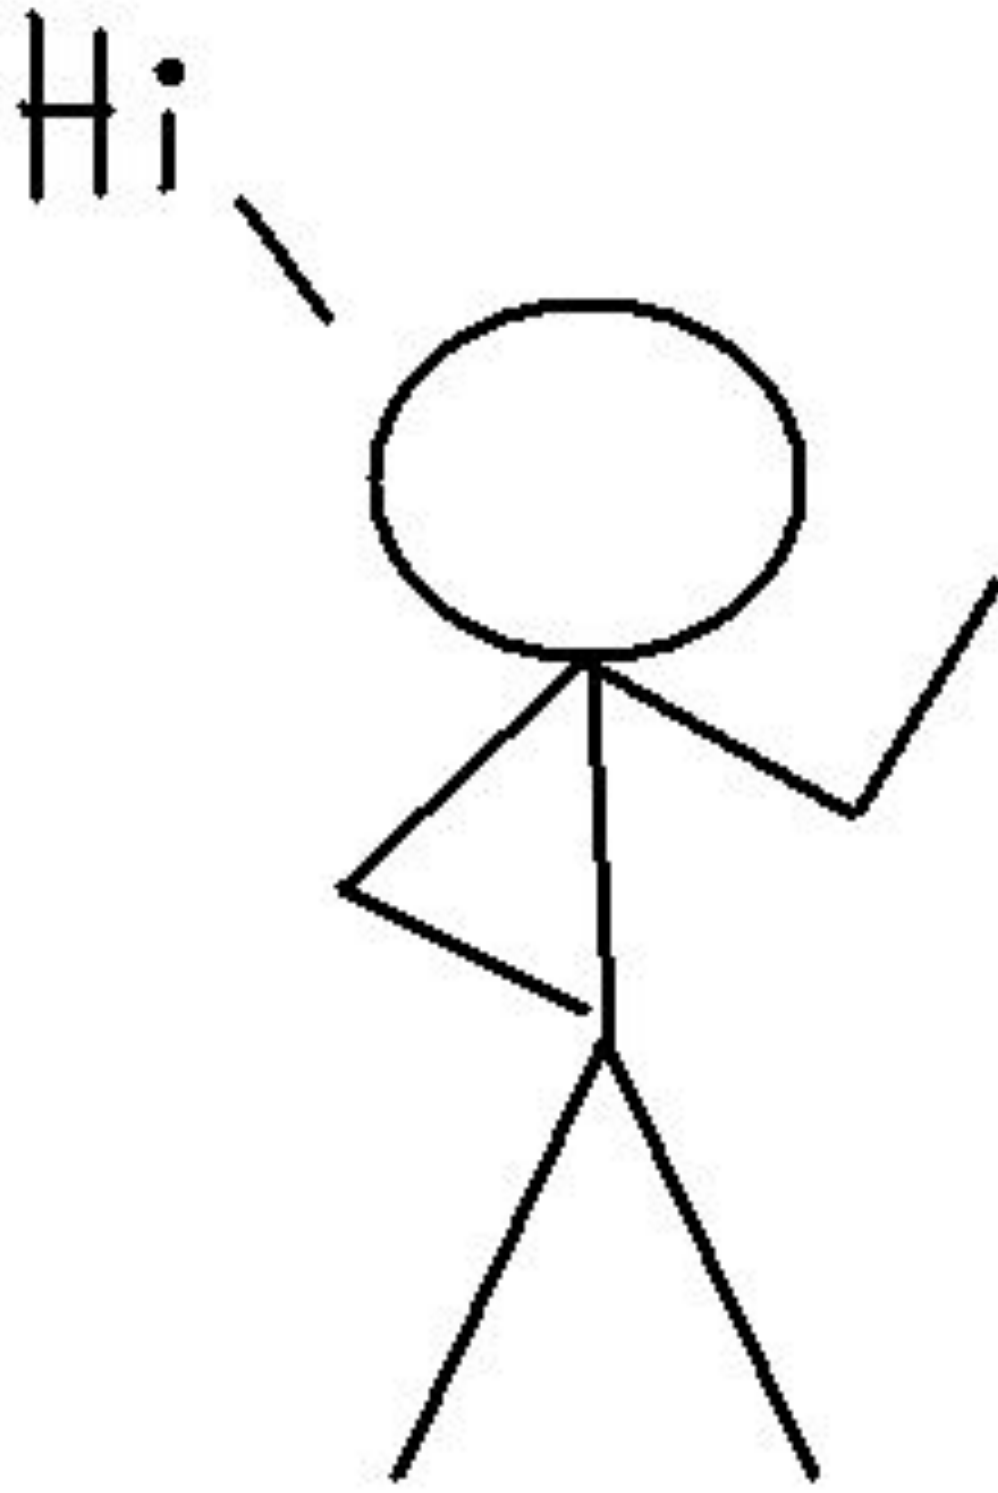

# Programming

- Boolean expressions, conditions, functions, loops, variables
- events, threads
