Computational Thinking

Mr. Richai

A woman with short, styled brown hair, wearing a dark blue blazer and a pearl necklace, is speaking at a hearing table. She is looking slightly to her right. To her left, a woman with long dark hair is looking down. Behind her, a man with dark hair is partially visible. To her right, a woman with dark hair and glasses is looking forward. The table is wood-paneled, and there are microphones in front of the speakers. A nameplate is visible in front of the woman speaking.
